SUMMARY

Experienced in developing and maintaining software solutions across diverse industries including Pharmaceuticals, Travel, Retail, and more. Proficient in .NET technologies, C#, SQL, and JavaScript. Proven track record of leading projects, mentoring teams, and delivering high-quality software solutions.

SKILLSET

Frameworks	:	.Net	.NET Core	ASP.NET	Entity Framework
Languages	:	C# (C Sharp)	SQL	JavaScript
Databases	:	MSSQL	MySQL	MongoDB
Technologies	:	APIs (REST / WEB)	WCF	Git / TFS	Azure (CI / CD)

WORK EXPERIENCE

.Net Backend Developer   Waterlily Labs (Pvt) Ltd, LK | 02/2023 – Present

- Developing and maintaining web-based Property management systems using C#, ASP.NET MVVM, Entity Framework, jQuery and MySQL Databases.
- Has developed report generator tool and email scheduler using C#, ASP.NET MVVM, Entity Framework, jQuery and MySQL Databases.
- Mentoring junior developers and managing the team.

.Net Backend Developer   Heptagon Software Solution, LK | 09/2019 – 09/2022

- Developed, deployed, and maintained Point-Of-Sale systems, Inventory control, and Restaurant management systems using C#, WCF, Win Services, and MSSQL Databases.
- Refactored a WCF Service that helps to perform live syncing and day-end processes faster and more accurate than before in a Point-Of-Sale system.
- Provided a centralized data syncing and access solution for a large-scale local food company in a Point-Of-Sale system using C#, WCF, Win Services and MSSQL Databases.
- Developed an online store solution using C#, ASP.NET MVVM, MSSQL Databases, HTML/CSS, and JavaScript for a leading local pharmacy chain.
- Developed REST APIs using C#, ASP.NET and MSSQL Databases for Mobile applications projects.
- Created 50+ custom reports using Crystal Report per customer requirements.

.Net Backend Developer (Internship)   Onimta Information Technology, LK | 06/2019 – 08/2019

- Developed and maintained an Account software collaborating with senior engineers using C# and MSSQL Databases.

Self-Learning   03/2018 – 05/2019

- Joined with a local senior developer and helped him to maintain and develop his commercial side projects using C#, Win Services, WCF, and MSSQL Databases while learning.

EDUCATION

Higher education qualifications (HEQ)   BCS | Undergraduate

CERTIFICATES

Di TEC – Diploma in Information Technology   ESOFT Metro Campus | 01/2016 – 04/2016
